

# Help Document Vatan Prem

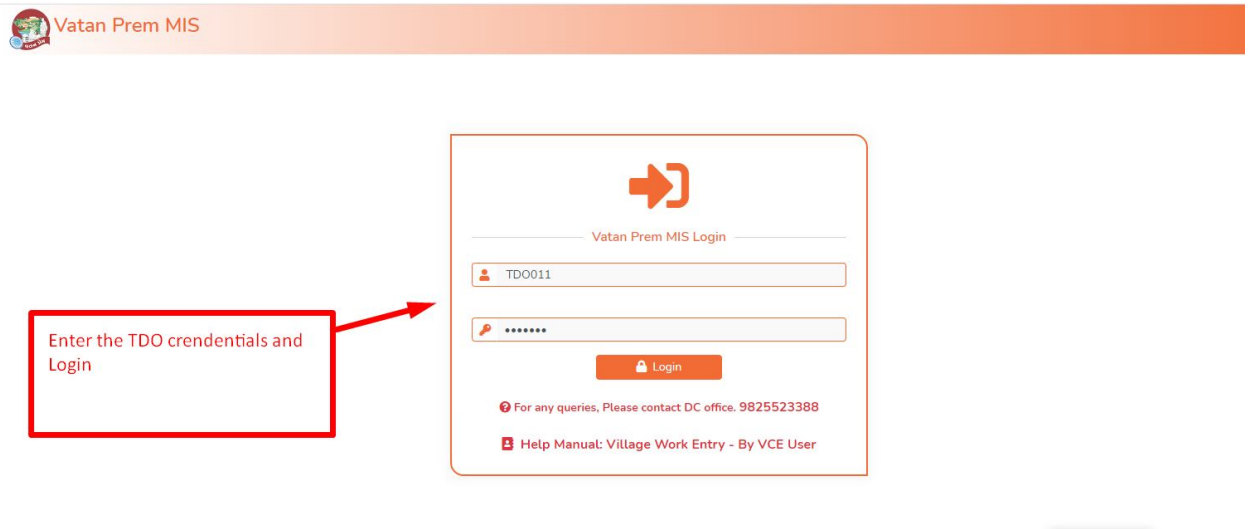

---

TDO Approval Flow

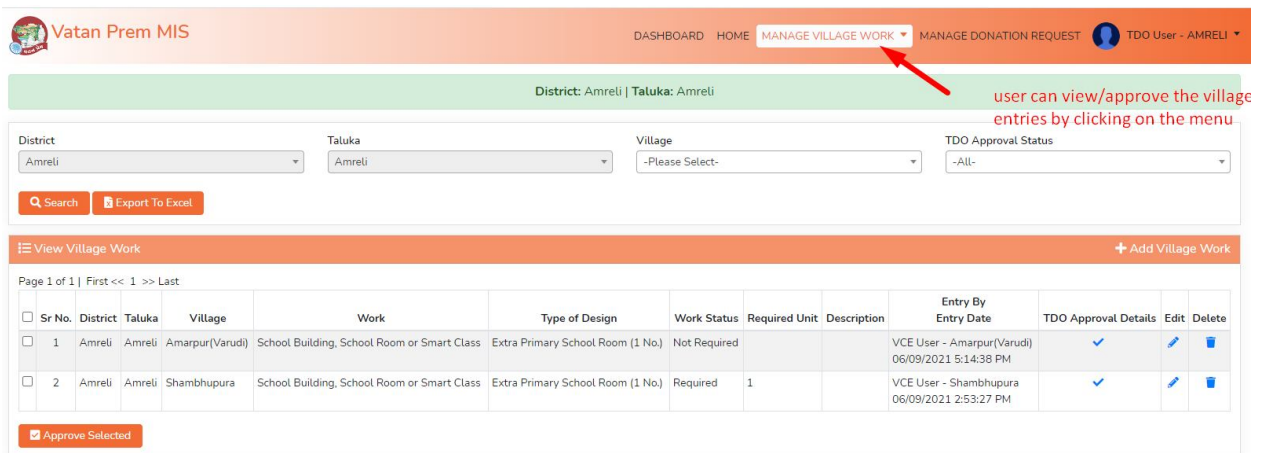

1. Go to mentioned URL "[vatanprem.gujarat.gov.in](http://vatanprem.gujarat.gov.in)" and click on MIS Login as per below mentioned screen.

2. Login with TDO login with valid credentials. User will be navigated to dashboard once the TDO logged into system.

3. TDO user can review entries by clicking on "Village Work View".

4. TDO user can approve single or multiple work entries by selecting the checkbox as per mentioned below screen. Please note that entry once approved by TDO can't be edited/ deleted by VCE user. TDO will be allowed to edit these entries.

The screenshot shows the Vatan Prem MIS interface. At the top, there is a navigation bar with 'Vatan Prem MIS' logo and 'TDO User - AMRELI'. Below this, there are filters for District (Amreli), Taluka (Amreli), Village (-Please Select-), and TDO Approval Status (-All-). A search and 'Export To Excel' button are also present. The main section is titled 'View Village Work' and contains a table with the following data:

No.	District	Taluka	Village	Work	Type of Design	Work Status	Required Unit	Description	Entry By	Entry Date	TDO Approval Details	Edit	Delete
1	Amreli	Amreli	Amarpur(Varudi)	School Building, School Room or Smart Class	Extra Primary School Room (1 No.)	Not Required			VCE User - Amarpur(Varudi)	06/09/2021 5:14:38 PM	<input checked="" type="checkbox"/>		
2	Amreli	Amreli	Shambhupura	School Building, School Room or Smart Class	Extra Primary School Room (1 No.)	Required	1		VCE User - Shambhupura	06/09/2021 2:53:27 PM	<input checked="" type="checkbox"/>		

Below the table, there is a checkbox labeled 'Approve Selected' and a red arrow pointing to it. A red text annotation says: 'TDO user can select the multiple checkbox and click on "Approve Selected".'

To Approve all pending entries select all entries using checkbox. You can select all entries from header checkbox as well. Then click on **Approve Selected** button

To Approve individual entries click on Approve button
